History

For many years, ACLEDA Bank Plc. has led retail banking in Cambodia as a financial service provider to micro and small entrepreneurs. In response to a growing financial sector ACLEDA Bank Plc. gradually generated subsidiary companies, ACLEDA Bank Lao Ltd., ACLEDA Securities Plc., ACLEDA Institute of Business (AIB), ACLEDA MFI Myanmar Co., Ltd. and ACLEDA Properties Ltd. ACLEDA Bank's Training Division, established in 2000, played the crucial role in building the capacity of ACLEDA staff to contribute to the Bank's success over the years. With the generous support of the Royal Government of Cambodia, and co-financed by the Federal Republic of Germany through KfW, in 2008 ACLEDA Bank Plc formed "ACLEDA-ASEAN Regional Microfinance Training Center" to provide training locally and internationally, focusing on MFIs in the ASEAN Region plus China. In August 2011, in a strategic response to the growth of training needs ACLEDA Bank Plc merged the Training Division and the ACLEDA-ASEAN Regional Microfinance Training Center into the "ACLEDA Training Center"(ATC). On January 25, 2016, ATC obtains the license as a higher education institution named "ACLEDA Institute of Business" (AIB) with reference to the sub-decree of the Royal Government of Cambodia No. 13 ANKr. BK. On February 12, 2024, AUB obtains Sub-Decree No. 27 signed by Samdech Moha Borvor Thipadei HUN MANET, Prime Minister of the Kingdom of Cambodia, on the recognition of the transformation of ACLEDA Institute of Business to **ACLEDA University of Business**.

Vision & Mission

Vision:

Our vision is to become the premier business school at the maximum standard of quality, supporting the socio-economic development of Cambodia and the Region for future generations.

Mission:

Our mission is to provide students with higher education of superior quality, through on-campus and digital courses, to build their:

- Knowledge
- Professional Skills
- Creative and Innovation
- Experience
- Ethics
- Networking
- Research and Publication

In order to enhance their professional careers in the future, we will at all times observe the highest principles of ethical behavior, respect for a diverse and multi-cultural society, laws and regulations and the environment.

AUB Faculty

The training faculty consists of senior management and technical specialists from the Bank's branches and headquarters who complement the AUB faculty and specialists in course design, delivery and training techniques.
